The Alliance of California Law Enforcement *invites you to join police chiefs, sheriffs, district attorneys and other law enforcement leaders at the 18th Annual Legislative Day, March 24, 2010, at the Sheraton Grand Hotel in Sacramento. Speakers and discussions will focus on **The Future of Public Safety.***

This is your chance to become more involved and effective in the public policy arena.

Legislative Day is your opportunity to learn how the legislative process works, what critical legislative issues are facing public safety and how you can personally influence the outcome of key bills and public safety funding that will affect your agency and the profession.

Just as important as the program's speakers, educational sessions and legislator meetings, is the evening reception. Meeting and socializing with legislators and their staff at the reception provides a relaxed environment to communicate law enforcement's priorities.

HOTEL INFORMATION: The Legislative Day Program will be held at the Sheraton Grand Hotel, 1230 J Street. Sleeping rooms have been blocked at the hotel. Mention Law Enforcement Legislative Day when you call to make your reservation. Reservations must be received by March 1, 2010.

SHERATON GRAND HOTEL
