

6.55.010 Regulations.

The council is authorized to adopt, in resolution form, regulations as it may deem reasonably necessary to regulate the use of burglar alarms in protecting the public safety and promoting the public good. Such rules and regulations shall be made available by the police department, in writing, to any interested party. (Ord. 92-14 Divs. 1, 2 (part), 1992.)

6.55.020 Inspection.

The police chief is authorized to inspect at reasonable times any burglar alarm system to determine if the system conforms with the law, and regulations adopted by council resolution. (Ord. 92-14 Divs. 1, 2 (part), 1992.)

6.55.030 Removal.

The police chief may order the modification or removal from service of any burglar alarm that is installed or maintained in such a manner as to violate the law, or regulations adopted by the council. The order shall be a written notice giving seven days to comply. During that seven-day period, the alarm owner may appear before the city manager and establish that no violation of law, rules and regulations has occurred. If, after such presentation, the city manager determines that any violation has occurred, and that the order of the police chief is reasonable, he shall declare in writing that the alarm shall be modified or removed at the end of the seven-day period. If the city manager does not find a violation, he shall withdraw the order of the police chief. (Ord. 92-14 Divs. 1, 2 (part), 1992.)

6.55.040 Appeal.

Any alarm owner not satisfied with the modification or removal order may appeal the decision of the city manager to the council in the manner specified in Chapter 6.15 of this title. (Ord. 92-14 Divs. 1, 2 (part), 1992.)

6.55.050 Public nuisance.

Any burglar alarm or system operated in violation of the provisions of this chapter, shall be deemed a public nuisance. The city attorney may proceed against the violator in any manner provided for by law. (Ord. 92-14 Divs. 1, 2 (part), 1992.)
