We don't have an ordinance. But Motel 6 Corporate security has been very cooperative and helpful with problems generated by their properties. On a daily basis, they fax us a list of names and license plate numbers of their guests. They also are very quick to respond when we have problems or concerns with their personnel.

To All Members:

The Redondo Beach Police Department is requesting information from other cities who have adopted a Municipal Code/Ordinance that provides for the inspection of hotel/motel records (ie. guest information). If your city has such an ordinance, please contact Captain Jeff Hink at (310)379-2477 x2484 and/or send the ordinance to jeff.hink@redondo.org.
