pcooper@ci.claremont.ca.us
They've used San Bernardino County Network more than 5 yrs. They handle all their communication needs; they operate the Sheriff's 800 MHz radio system; also set up their first cmd post, and recently remodeled their communications center. They also utilized their services for their fleet mobile radio change-out recently to XTL 5000 radios.

Woodcrest has built their vehicles for the past 4 years: patrol & unmarked cars, patrol SUVs, p/u trucks. They have a metal fabrication shop on site for any custom metal work (racks, etc).
Woodcrest Police Vehicles
Contact: Howard Newman
880 Columbia Ave., Unit #2
Riverside, CA 92507
951.222.2270

ComSerCo is more of a radio installer/maintainer firm, but they also build police city vehicles & do good work. They used them for several years prior to Woodcrest

Dennis Kies
La Habra PD
Dennis_Kies@lahabracity.com
For Chevy suburban type vehicle, they use NorthStar in Downey. It took them a long time, & they just got theirs in under the wire (it too was DHS approved).
If you need more info on them, call CPT. JEFF LOVE @ 562.905.9754.

Lt. Charles Robinson

rleonardini@ci.fairfield.ca.us

They are in the process of designing a retrofit for their Cmd post and are using a local company. The work however, is done by Odyssey Automotive Specialty in New Jersey. The company & contract:

Andy Waston
WATTCO
1961-K Walters Court
Fairfield, CA 94533
707.435.9233
www.wattco.net

Ofcr. Dave Lawicka
Auburn PD
530.906.8394 -wk. cell
dlawicka@auburn.ca.gov

They recently purchased a mobile command unit built from the ground up, using:

Universal Specialty Vehicles
19052 Harvill Avenue
Perris, CA 92570
909.943.7747

Ofcr. R. Casiello, Flt. Operations
Tustin PD
300 Centennial Way
Tustin, CA 92780
714.573.3212
Rcasiello@tustinca.org

For wiring & electrical needs they use:

Orange County Communications
714.704.7999

For equip. installation& custom parts fabrication they use:

Northstar Electronics
562.307.6704

Capt. Ray Edey
Glendale PD
redey@ci.glendale.ca.us
818.548.4840

For grant purchased command posts:

Universal Specialty Vehicle
19052 Harvill Avenue
Perris, CA 92570
951.943.7747

Also, their Flt Mgr. has been happy with a local firm that apparently does on-site work:

Vision Communications
Contact: Joan Poet

Their MCV was built by:

Universal Specialty Vehicles
19052 Harvill Avenue
Perris, CA 92570
909.943.7747

From: CCV Staff

They heard you are in need of retrofitting. Please visit their website for more information on their company:

www.cali-customs.com

Lt. James Martinez
Brentwood PD

jmartinez@ci.brentwood.ca.us

They use a CSO Flt. Mgr. Joe Garcia. He's done their SWAT vehicle, Tactical Veh., & retrofit their Cmd. Post purchased from American Custom Coach in Ontario --don't do business w/them. Joe's the best in business in Northern CA, he's doing all the custom work for the other area build-up companies who are limited to patrol-type vehicles. You'll be impressed with Joe's customer svc, quality of workmanship, & creativity for doing full custom, & one-of-a-kind work.
