Dear Mr. Jones:

Thank you for your interest in becoming involved in the Tustin Police Department Community Policing Forum. This is a new program which will rely solely on people like you who are willing to devote time, energy and imagination toward the goals of the Tustin Police Department's Community Governance philosophy.

Attached you will find an application designed specifically for those who voiced an interest in participating in this process. For your convenience, this application has also been forwarded to you in an electronic format if you prefer to reply via email. We ask that you complete the application and return it as soon as possible. Upon return of your application, my staff will conduct a brief interview of all applicants prior to my final selection of board members.

The size and composition of the board is at the discretion of the Chief of Police. Those members selected for the initial board will be notified via the Office of the Chief. Any applicant not selected for the initial term will have an opportunity to reapply at a later date after term limits are established.

We look forward to beginning this process as quickly as possible. Thank you once again for your dedication and interest in assisting the Tustin Police Department achieve the goal of providing excellent service to the community we serve.
