About the Workshop
The Leadership Challenge Workshop increases leadership effectiveness. Based on The Five Practices of Exemplary Leadership, the workshop is a 2-day experience that profoundly impacts leaders and organizations across all law enforcement agencies regardless of size and location.

What will you learn? Among other things, to…

- Identify your leadership strengths and areas for improvement.
- Better communicate and focus the efforts of others on fundamental values and beliefs.
- Inspire others to share a common vision.
- Build collaboration, teamwork, and trust.
- Strengthen others’ abilities to excel.

The assessment products and development tools, group activities and individual exercises used in The Leadership Challenge® Workshop are all designed to help aspiring and accomplished leaders alike achieve their personal best and improve their effectiveness in a leadership role.
